Principal Planning Officer Regulatory Services

Scottish Borders Council

28<sup>th</sup> March 2022

Dear Mr Miller

**22/00422/AMC Flatted Development Kingsmeadows House Peebles**

We write to enquire concerning matters in relation to the above application:

1. Have the ecological conditions have been discharged from the planning permission in principle (19/00182/PPP)?
2. Has a Habitats Regulations Appraisal been produced, which was a recommendation in the Council's Screening Opinion?

Yours sincerely

Mike Rutherford, Chair, Scottish Wildlife Trust Central Borders Group
